THE STATE OF PARANÁ

Paraná, located in southern Brazil, borders Argentina and Paraguay, providing access to 284 million Mercosur consumers. With a GDP of US\$132.6 billion (2023), it is the 3rd best business and investment environment in Brazil. The state has 37 airports and two ports, including the Port of Paranaguá, the largest bulk port in Latin America.

It is the largest producer of animal protein in the country, having exported 1.73 million tons of chicken meat from January to October 2025. In addition, Paraná's food and beverage industry exported U\$ 14,2 billion to 176 countries in 2024.

Paraná is also a leader in Brazil in the production of organic food, chicken, beans, yerba mate, barley and fish, standing out for the high quality of its products.

Invest Paraná is the investment promotion agency of the Paraná State Government.

It is the gateway for those wishing to invest in the state. As a bridge between government and private initiative, Invest Paraná is a strategic partner for international investors and companies seeking to establish themselves in Paraná, offering a wide range of services and resources to ensure the success of new ventures.

With a specialized team, Invest Paraná provides detailed information on the business environment, identifies investment opportunities and pinpoints ideal locations for companies to establish themselves in the state. It also plays a key role in promoting the opening of markets and supporting exports.

Invest Paraná's main objective is to create a favorable environment for economic growth, promoting the sustainable development of the state and providing companies with the solid foundation needed to thrive in a highly competitive global market.

The Federation of Industries of the State of Paraná (Fiep) defends and represents the rights and interests of industries and industrial sectors in the state. Fiep provides comprehensive support to help industries identify opportunities and enhance their competitiveness. It analyzes economic, political, and social scenarios to offer services that address both current and future demands, preparing entrepreneurs for national and international markets while fostering industrial development.

Fiep represents more than **70,000 companies** and nearly **1 million industry workers** in Paraná.

One of the functions of the Fiep System is to connect the industry of Paraná with the world. To achieve this, it operates in three key areas: business internationalization, international cooperation, and certification and qualification of origin.

Industry of Paraná in numbers:

- With **790,000 jobs occupied**, the industry in Paraná is the second-largest employer in the state;
- The **manufacturing industry** in Paraná is the **third-largest in the country**.
- The Industrial Transformation Value (VTI) of Paraná is approximately US\$31,7 billion, according to IBGE 2023.

SistemaOcepar

FECOOPAR | OCEPAR | SESCOOP/PR

The Ocepar System aims to represent and foster the development of cooperatives as a socioeconomic model capable of organizing economic activities based on practices of cooperation, ethics, transparency, and democratic participation. Being a cooperative member means fostering the desire to transform the world into a more just place with better opportunities for all. Being a cooperative member means believing that together we can achieve more.

The Ocepar System is comprised of the Union and Organization of Cooperatives of the State of Paraná (Ocepar), the National Service for Cooperative Learning (Sescoop/PR), and the Federation and Organization of Cooperatives of the State of Paraná (Fecoopar). These three organizations have distinct roles but a common goal: to promote the development of cooperatives in Paraná.
